## **WHAT IS THE PARENTVUEPORTAL?**

To help their children get the most out of school, parents want day to day insight into the academic experience. With the Synergy ParentVUE web portal, parents can access near real time information on assignments and scores, attendance, and class schedules.

## **ACCOUNT CREATION**

To create an account, you need the web address <https://sportal.wcps.k12.md.us> and account activation key provided by the school district.

## **HOME SCREEN**

After logging on to the website or activating an account, parents will see the Home tab screen of the ParentVUE portal. The information on the home page includes:

1. The Navigation bar contains links to various areas within ParentVUE. Each area displays records for the child selected.
2. Recent Events includes grading period dates, conference events, discipline events, school events, attendance notes, and nurse log notes. Information in blue is a link for more detailed information.
3. District Announcements are featured on the right.
4. In ParentVUE, children linked to a parent and attending this district, have their first names listed at the top of the screen. Click the child's name to view his/her information.
